Dear Year 4 Parents

As part of our new topic launch, the children will take part in an 'Electricity Exploration' day on **Tuesday 23rd April 2019**.

To support this, we are inviting your child to bring in a game or something that uses electricity. **Please make sure this is battery powered and not mains operated.** This is because we cannot plug in items to the school sockets without them being tested.

Please be assured that the classrooms will be locked during break and lunch to ensure no items are misplaced. In light of this, please be considerate about what your child brings and do not send their most valued possession.

To guide you, here is a list of suggested items and some items that we are not encouraging:

| You might like to bring: | Please do <u>not</u> bring: |
|--|--|
| <ul style="list-style-type: none">• Light up headband/props• Electronic games such as 'Bop-it'• Battery operated CD players• Toy that requires batteries e.g. to move | <ul style="list-style-type: none">• iPods• iPads• Kindles• Laptops• Alexa/Echo• Phones• Hand held games e.g. DS/Switch |

We look forward to using these to help us discover more about electricity.

Please contact your class teacher if you have any queries.

Yours sincerely

Miss Wilson and Miss Whittick
